DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

Claims 1-7, 9-15, 23-29, 31-36, 50-52, 55-61, 64-66, 69-75, 78-80, 83-89, 92-94, 97-103, 106-107, 109-115, 118-119, 121-132, 134-136, 139-159 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for the claims in combination with a credit card with two lines of credit, wherein the first and second lines of credit have a unique credit limit, wherein the first and second line of credit have a unique available credit limit, wherein the first and second lines of credit have a unique interest rate, and wherein said first line of credit is a general revolving line of credit and wherein the second line of credit is a private label line of credit, the specification is not enabling for other credit card configurations.
